H E R O**HASSELBLAD EDUCATION REWARDS OFFER
FOR STUDENTS, EDUCATORS, AND SCHOOLS****OVERVIEW:**

The *HERO* program for 2009 is designed to make it as easy as possible for you to acquire the finest camera and digital products in the world. This purchase incentive plan is heavily subsidized by Hasselblad USA and is available only to pre-approved students, accredited schools and photo educators. Simply put, there has never been a better time to purchase the best medium format camera, digital camera, digital back or scanner on the market today. If you are serious about photography, you need a Hasselblad. Need convincing? Just look at the equipment most working photographers rely on for their business – and their reputations.

GUIDELINES:

- ✓ **Duration:** this program is only available on the qualifying products listed in this Program Guide, ordered from an authorized Hasselblad USA Camera or Digital Dealer under the *HERO* program and shipped from February 1 – December 31, 2009.
- ✓ **Eligibility:** this offer is available only to **Students** enrolled full-time in an accredited photography program; **Schools** (including Universities, Colleges, Technical Trade Schools and High Schools) who specialize in or have specific courses, or a curriculum devoted to photographic training; and **Educators** who teach photography in one of the eligible schools. By signing this application, the purchaser certifies they qualify for the *HERO* program and will use the product(s) for the purposes of photo education.

 - The purchaser certifies the equipment will not be resold for a period of 24 months.
 - Concurrent general market Hasselblad rebate offers cannot be combined with the *HERO* program
